-

Four Step Process

- Assess athletic ability with your coach
 - Identify appropriate colleges
 - Communicate with the college coach
 - Submit applications adhering to each school's admissions procedures
-

College search tips for the student-athlete

- Student-athlete graduation rate
 - School's policies regarding summer session, 5th year, academic support, etc.
 - Student-athlete expectations both in and out of season
 - Make sure the school meets all of your needs
-

Determining Initial Eligibility

- Division I & II schools require NCCA eligibility*
- High School Graduation
- Minimum core grade-point average
- Minimum Sum ACT or SAT test score
- Completion of 16 core course distribution

*Division III schools require only admissions requirements be met

NCAA Core Course

- Recognized academic course which qualifies for high-school graduation credit in one or a combination of the following areas: English, Mathematics, Natural/Physical Science, Social Science, Foreign Language or Non-Doctrinal Religion/Philosophy
 - Must be considered college preparatory
 - Math courses must be at the level of Algebra I or higher
 - Taught by a qualified instructor
 - Course must be taught at or above high school's regular academic level
-

Completion of 16 Core Course Distribution

- Must complete **10** core courses before seventh semester of high school (e.g., senior year).
 - Of the **10** core courses completed, **seven** must be in the area of **English, math, or science**.
 - These 10 core courses become “locked in” for the purpose of core-course GPA calculation.
 - A repeat of one of the “locked in” courses will not be used if taken after the seventh semester begins.
-

Minimum Sum ACT or SAT Score

- SAT (ONLY verbal and math scores used to determine initial eligibility)
 - ACT (ONLY Math, Science, English, Reading)
 - Superscore both SAT and ACT
-

Use for Division I beginning August 1, 2016

Preparing to be certified by the NCAA eligibility Center

- **Freshman year through senior year**

- Students should register for high school courses in accordance with:
 - Your high school's graduation requirements.
 - Appropriate college-prep courses.
 - NCAA core-course requirements.
 - NCAA core-course time limitation (only courses completed 9th grade 12 grade).

- **Sophomore and Junior years**

- Students should take the PSAT, SAT or ACT.
 - Test scores must be sent directly from the testing agency to the NCAA Initial Eligibility Center by selecting code 9999.
 - This is FREE for students.
-

Am I Being Recruited?

- Are college coaches in the stands? Are they asking your high school coach for film?
 - Are you receiving letters or other recruiting materials? If Yes, how frequent?
 - Receiving regular phone calls (you or your high school coach)?
 - Has a college coach made a face-to-face contact with you off-campus (at your high school or your home)?
 - Been invited for an official paid visit?
-

National Letter of Intent and Athletic Scholarships

- National Letter of Intent (NLI)- A **voluntary agreement** that a prospect signs to signify his or her commitment to attend a college or university.
 - Agreement- College awards the prospect a scholarship for an academic year. The prospect agrees to attend that college for one academic year.
-

Athletic Aid

- **What does a full athletics scholarship cover?**

Tuition and fees, room and board, and required text books.

- **What is the range of athletics scholarships awarded?**

Athletics scholarships could be for as little as required text books or as much as a full grant-in-aid. However, academic scholarships may be available at the school as well.

- **Can athletics scholarship be awarded for less than two semesters (i.e., academic year)?**

No, athletics scholarship should be awarded for an academic year.

- **Are athletics scholarship guaranteed for 4 years?**

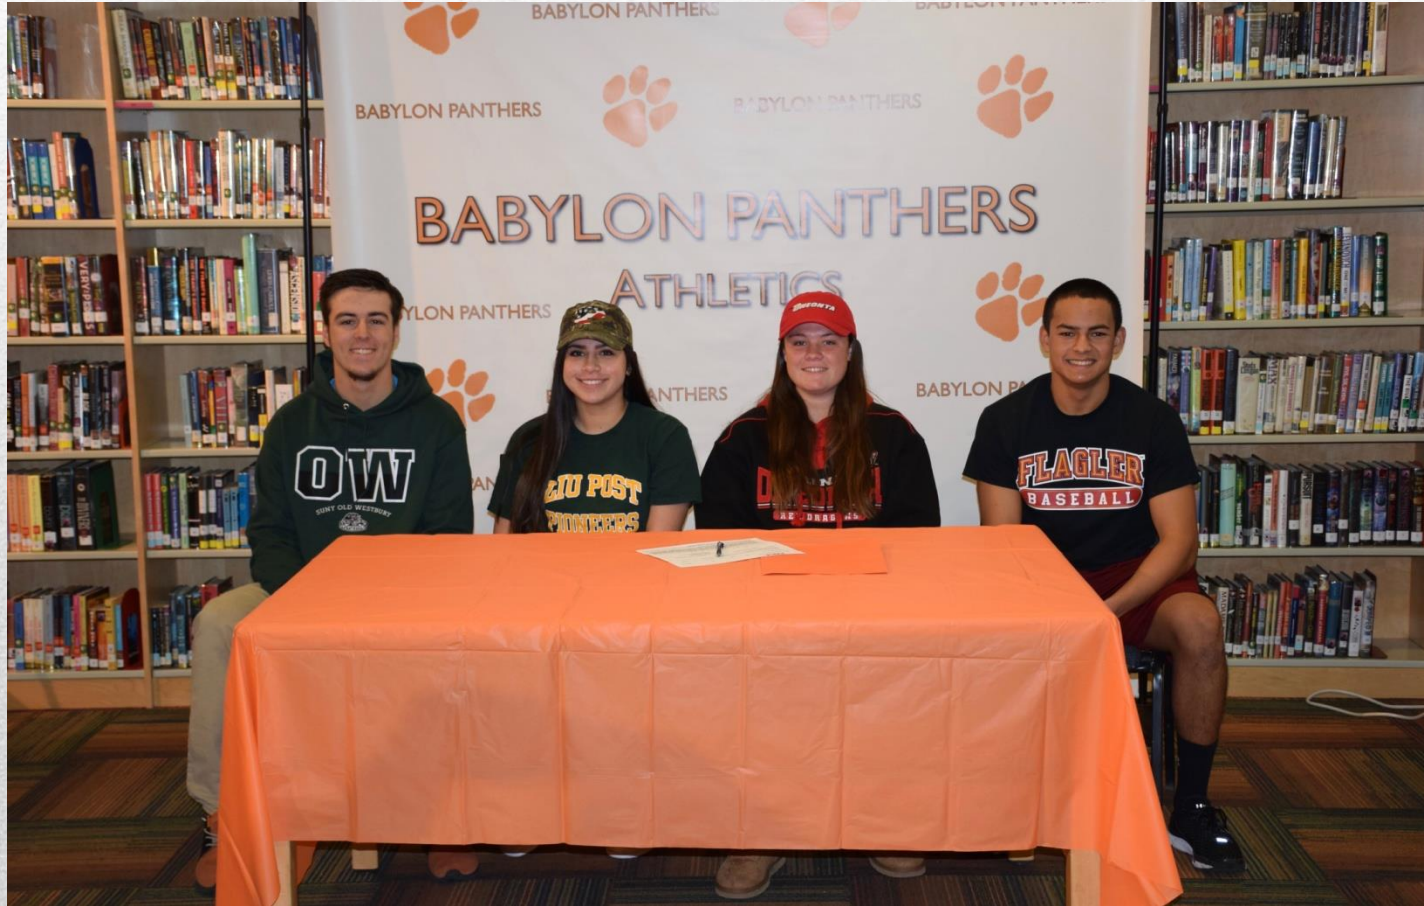

No, athletics scholarship must be renewed after each year. *(Exception: "The Big Five" Division I: ACC, BIG 10, SEC, BIG 12, PAC 12)*
