United Way of Long Island's DREAMS for Youth Scholarship Program provides financial support so Long Island Youth from low to moderate-income families can pursue their dreams and aspirations.

Based on the belief that financial need should not be a barrier to achieving one's potential, the mission of DREAMS is to provide financial assistance in two distinct areas: academic and enrichment. The scholarship program is open to seventh to twelfth grade Long Island Youth who demonstrate financial need and a commitment to community service.

DREAMS is an integral part of United Way's focus on what matters most in our community. In order to achieve positive change in the lives of Long Islanders, United Way of Long Island, together with our community partners, advances the common good by investing in and developing programs that address Long Islanders' critical needs in education, income/financial stability and health. United Way proudly supports over 100 health and human service agencies across Long Island.

With the generous support of the late Ben Pace, founder of the Dreams R Us Foundation, the DREAMS for Youth Scholarship Program was developed in 2001. Since then, more than \$1 million in scholarships have been awarded to more than 350 students.

"The dreams of our youth are the building blocks for our future. As students realize their dreams, they bring to light a path for the next generation of dreamers to follow. It is my hope that the DREAMS for Youth Scholarship recipients dream big and inspire others to do the same."

*Meghan Pace,
Executive Director of the Dreams R Us Foundation*
