Step 4: Change Your Password

The screenshot shows the eSD Parent Portal interface. At the top left is the logo "eSD Parent Portal". The main heading reads "You must change your password for first login." Below this are several input fields: "Old Password", "New Password" (with a note: "(should be a minimum of 6 characters with at least 1 number)"), "Confirm Password", "Primary Email Address", and "Confirm Email Address". There is a checkbox labeled "Use this E-Mail address as my User Name". At the bottom of the form are two buttons: "Save" (highlighted with a red box) and "Close". At the very bottom of the page, there is a small copyright notice: "eSD® is a registered trademark of eSchoolData, LLC - Copyright © 2001-2013 eSchoolData, LLC - Server 2".

Upon logging in for the first time you will be required to change your password. You must also type in your email address you used during the registration period. You will also have the option to utilize the email address as your log in username instead/along with the username you created during the registration process. When you are done, click save.

*If you choose this option, please make a note of it for the future when you log into the system.

You are now able to log into the Parent Portal system. Please remember to check the system often to keep up with your student(s) progress throughout the year.

If for any reason during this process you need assistance, please contact the technology department at 631-893-7983
